A Journey in the Wilderness, with Jayce: (10-13 years old)

Mondays and Wednesdays (June 22-July 15), 4:00pm-5:00pm

Jewish texts have animated and inspired Jews since we walked out of Mitzrayim together thousands of years ago. Are you interested in adding your voice to the ongoing project of reading, debating, and asking questions of texts? Have you ever read or heard a passage of Torah and asked, "but why should I care?" Do you want to grow your ability to read critically, think deeply, and engage in conversation about Torah? Join Jayce for a month-long project of critically reading a story from the Torah, asking questions, exploring Midrashim, and creating your own projects that help you dig more deeply into the story. This is your chance to join a conversation that began thousands of years ago and add your voice; thoughts; opinions; and questions to our Jewish story.
